AUTHORIZATION

Pursuant to the statutory provisions referenced above, authorization is hereby given to the above named Operator to undertake the program as proposed above and subject to the following conditions:

1. Unless otherwise extended or terminated this Authorization shall expire on _____.
2. The Operator shall, during the term of this Authorization, comply with the provisions of the Board's Nova Scotia Offshore Petroleum Occupational Health and Safety Requirements dated December 2000. For greater certainty, these requirements shall apply, mutatis mutandis, to the transportation of workers to or from the workplace by vessel or helicopter.
3. Evidence of financial responsibility, as required by Sections 168 of the *Canada-Nova Scotia Offshore Petroleum Resources Accord Implementation Act*¹ and 160 of the *Canada-Nova Scotia Offshore Petroleum Resources Accord implementation (Nova Scotia) Act*² shall be maintained at all times by the Operator.

4. The following conditions of indemnity shall apply with respect to the conduct of all work or activity relating to this Authorization:
 - a) the Operator shall indemnify affected parties for any costs, expenses, damages, claims or losses attributable to the fault or negligence of the Operator, its contractors or subcontractors, in conducting the work or activity;
 - b) such indemnity shall include any legal costs or expenses incurred by the Board, Chief Conservation Officer, the Chief Safety Officer or their designates in pursuing or defending any legal proceedings respecting the work or activity, except to the extent a court may otherwise decide; and,
 - c) such indemnity does not suspend or limit:
 - i) any legal liability or remedy for an act or omission by reason only that the act or omission is an offence or gives rise to liability under the Accord Acts;
 - ii) any recourse, indemnity or relief available at law to a person who is liable under the Accord Acts against any other person; or,
 - iii) the operation of any applicable law or rule of law that is not inconsistent with the Accord Acts.
5. The Operator shall satisfy all regulations, requirements, and approvals administered or established by any other regulatory body, government department or agency which has jurisdiction in any way respecting the work or activity relating to this Authorization.
6. This Authorization is issued to the above named Operator and cannot be transferred or assigned.
7. The Board reserves the right effective upon written notice to the Operator, to revise, waive, or add any term or condition during the time this Authorization is in effect.
8. This Authorization is issued subject to the Operator's compliance with the Benefits Plan and the Development Plan, if any, as approved by the Board, together with any amendment(s) to either of them, as applicable.
9. The Operator shall provide reasonable notice to the Board of any material change in the offshore activity or in the documentation listed in Schedule B, if any.
10. The Operator shall comply with such other conditions listed in Schedule "B".
11. The Operator agrees to the following:
 - a) Exclusive geophysical and geological reports, maps and data and other materials submitted by the Operator will be kept confidential by the Board for five and one half years after termination of the field work.
 - b) Non-exclusive or speculative geophysical and geological reports, maps and data will be kept confidential for ten years (or such longer period as the Board may expressly authorize in writing) from the completion of the field work.
 - c) Such reports, maps and data will be made available for public disclosure by the Board at the termination of the relevant confidentiality periods in hard copy, digital or any other format as the Board may determine.
