**Re: Cohasset Decommissioning Follow-up Survey**

This will acknowledge receipt of your letter dated November 3<sup>rd</sup>.

This will confirm that by separate correspondence, dated November 14, 2006, to the Board's Operations Manager and Chief Safety Officer, Mr. Pinks, EnCana has submitted the documents necessary for the Board's consideration and approval of a subsea site clearance survey which EnCana plans to conduct in the Cohasset Project field between November 27, and December 15, 2006.

Trusting this may be satisfactory.

Yours truly,
