Hi Eric,

Please find attached Encana's Seawatch Buoy Deployment and Bathymetry Survey EPP/EEMP for distribution to DFO and EC.

This document will be submitted to the CNSOPB shortly as part of the work authorization application for the Seawatch buoy deployment and bathymetry survey but I am sending you the EPP/EEMP in advance so you can distribute it to EC/DFO as soon as possible considering to short review time line (the program is tentatively scheduled to begin on May 27, 2011 and will take approximately 3 days to complete).

Regards,

Marielle.
