Safety Notice

(August 4, 2009) Please note the following recent organizational changes at the Canada-Nova Scotia Offshore Petroleum Board.

Manager, Operations/ Health, Safety & Environment: Keith Landra, P. Eng, recently joined the CNSOPB and assumed the role of Manager, Operations/ Health, Safety and Environment effective June 22, 2009. Keith has approximately 20 years of offshore and onshore oil and gas experience. Prior to joining the CNSOPB he was Director of Environment, Safety and Social Responsibility with Petro-Canada in Calgary. He is a chemical engineering graduate from the Technical University of Nova Scotia, and is completing a Masters in Occupational Health at McGill University. Keith replaces Stuart Pinks, P. Eng, who became Chief Executive Officer in January 2009.

Chief Safety Officer: In addition to his duties as Advisor, Safety & Operations, Dave Scratch assumed the role of Chief Safety Officer, effective May 25, 2009.

Alternate Chief Safety Officer: In addition to his duties as Advisor-Facilities/ Production Operations, Gerald Sheehan, P. Eng, assumed the role of Alternate Chief Safety Officer, effective May 25, 2009.

Alternate Chief Conservation Officer: In addition to his duties as Geologist & Petrophysicist, Carl Makrides assumed the role of Alternate Chief Conservation Officer, effective May 25, 2009.

Safety and Conservation Officers have certain legislative rights with respect to the administration and enforcement of the Accord Acts and its Regulations.

A copy of the CNSOPB [organizational chart](#) may be found on its website.
