

## Draft Guidelines Released for Public Comment

August 19, 2002

**Halifax, NS** - A revised draft of the Joint Guidelines Respecting Data Acquisition and Reporting for Well, Pool and Field Evaluations in the Newfoundland and Nova Scotia Offshore Areas (, July 2002) has been released for public comment by the Canada - Nova Scotia Offshore Petroleum Board (CNSOPB) and the Canada-Newfoundland Offshore Petroleum Board (C-NOPB).

Over the past several months, the CNSOPB and the C-NOPB undertook a review of the guidelines provided to industry related to data acquisition and reporting. The purpose of the review is to update the guidelines to reflect changes in requirements/expectations since they were originally introduced in June 1999.

This review has resulted in a revised document which will replace the original. Changes to the original text have been highlighted using shaded text. The Board invites written comments on this revised document which is available in pdf format.

All written comments should be received no later than the end of business on Friday, October 18th, 2002. They should be addressed to: Steve Bigelow; Canada - Nova Scotia Offshore Petroleum Board; 6th Floor - TD Centre; 1791 Barrington Street; Halifax, NS; B3J 3K9 or via e-mail at [Steve Bigelow](mailto:Steve.Bigelow@CNSOPB.ca).
