

## AMENDMENT OF DECLARATION OF COMMERCIAL DISCOVERY

### COHASSET

WHEREAS LASMO Nova Scotia Limited, on behalf of itself and Nova Scotia Resources (Ventures) Limited, applied to the Board on November 20, 1992 to amend the Cohasset declaration of commercial discovery dated November 2, 1990, to include the following three additional sections:

44° 00' N; 60°30'W: Sections 32, 33 and 43  
(the "said lands");

AND WHEREAS based on the results of further drilling the Board is satisfied that there are reasonable grounds to believe that the portions of the offshore area to which the Cohasset commercial discovery extends include the said lands;

AND WHEREAS the Board has given at least 30 days notice to all persons it considers to be directly affected that it proposes to amend the Cohasset declaration of commercial discovery to include the said lands in the commercial discovery area, and no such person has requested a hearing before the Oil and Gas Committee within that 30 day period;

AND WHEREAS Production Licence 2901 was issued on the basis of the Cohasset declaration of commercial discovery and is held by LASMO Nova Scotia Limited and Nova Scotia Resources (Ventures) Limited in equal shares;

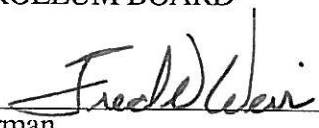

AND WHEREAS Exploration Licence 2352 includes the said lands and is also held by LASMO Nova Scotia Limited and Nova Scotia Resources (Ventures) Limited in equal shares;

NOW THEREFORE effective this day the Board hereby:

1. amends the Cohasset declaration of commercial discovery dated November 2, 1990, by increasing the commercial discovery area to include the said lands;
2. amends Production Licence 2901 to include the said lands; and
3. declares that Exploration Licence 2352 ceases to have effect in relation to the said lands.

DATED this 27th day of May, 1993.
